1) The D.C. has forwarded the letter No C4C 313/46-47 dated 27.2.1947 received from the P.D.B Kolar on the matter. It is stated that the shandies under the control of the District Board, Kolar are being held at five places viz (1) Nelvoy (2) Tangamunte (3) Bashettihalli (4) Sadali and (5) Ablodu as the shandy at Cheemangala proposed to be held at present would be beneficial to the inhabitants of 40 surrounding villages and as there is no objection to the opening of this shandy, the D.C recommends that the proposal of the Board may be sanctioned.

2) But the D.C. has not sent the

Sir

Subject:- Requesting sanction to conduct shandy at Cheemangala, Jangamkote Hobli, Sidlaghatta Taluk.

I have the honour to state that the villagers of Cheemangala and other adjacent villages prayed for holding a shandy at Cheemangala for affording them facilities for weekly purchases of the necessary commodities. The Village Panchayet of Cheemangal has passed a resolution requesting the Board to recommend to Government to obtain sanction for holding the shandy on every Wednesday of the week. The Amildar of Sidlaghatta Taluk is agreeable to the proposal. The question was investigated into. There is a suitable place for holding the shandy very near the village. There is a tank and a tope nearby affording facilities for water and shade. The shandy is proposed to be held on Gomal Survey No.45 marked A, B, C, D in the sketch enclosed. Survey No. 29 and 30 abutting the contour line of the tank in the sketch belong to private individuals. Therefore, that area is excluded. Objections were called on the proposal by issuing a notification in the Gazette allowing a period of one month from 27-11-1946 to 27-12-1946 for hearing objections. Objections were not received from any individual or organisation or any other local body. There are no other shandies at present within a radius of 7 miles. There are five shandies in the Taluk under the control of the Board. The names are noted in the margin*. The opening of this new shandy does not in any way affect the existing shandies but on the other hand creates facilities to the locality. The villagers represent that this shandy will serve nearly 40 villages and a population of nearly 10,000. The

area

area produces Turmeric and Potatoe in considerable quantities. Creation of a shandy will help to improve the commercial prosperity of the area. In consideration of these facts, the Board passed a resolution on the subject. The copy of the resolution is enclosed. The shandy will at the first instance be held for a period of one year without levy of any fees and will be subjected to the usual rates of levy afterwards.

I therefore request you kindly to obtain sanction of Government for holding the shandy on Wednesday.

The entire file accompanies.

I have the honour to be,
Sir,
Your most obedient servant,

N C Nagaiah Reddy
